

Here are your Exclusive Card Designs

WHAT'S INCLUDED:

**Table Numbers (1-50), Reserved, Please Sign Our Guestbook,
Top Table, Thank You & Thank You Messages**

Simply choose which cards you need. Size **7 x 5 inch**, ready and easy to print!

PRINTING

1. Open the file.
2. Click on File and select Print.
3. Select which pages (cards) you want to Print.
4. Go to Page Size tab and choose the appropriate Size Option
5. Go to Page Scaling and choose Fit to Printable Area option in the list (*this may also be labeled as "Fit to Printer Margins"*).
6. Click on the OK button to print.

Please Note:

Printers are all different, and you may need to check and change settings to get the print out layout correct. Please do some practice print-outs first to make sure that the printing is all formatting correctly before you print on your card stock.

Suitable for card stock up to .039" / 1mm/ 1000 microns thick.

Please check that cards fit the holders before printing.

Always test results before printing a large quantity.

We aren't printing experts, so please do not ask us for help with printing.

We supply these designs to you free of charge and hope you find them useful, but we accept no responsibility for any printing issues that may occur.

A decorative border composed of two overlapping, slightly offset square outlines in a light blue-grey color, creating a frame around the text.

Table

1

A decorative border composed of two overlapping, slightly offset light blue lines that form a complex, multi-sided geometric shape. The lines intersect to create a series of triangles and quadrilaterals around the perimeter of the page.

Table

2

A decorative border consisting of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

3

A decorative border composed of multiple overlapping, slightly offset rectangular lines in a light blue-grey color, creating a complex, geometric frame around the central text.

Table

4

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect around the central text.

Table

5

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

6

A decorative border composed of multiple overlapping, light blue geometric shapes, primarily squares and rectangles, creating a complex, layered frame around the central text.

Table

7

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

8

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

13

A decorative border composed of multiple overlapping, slightly offset rectangular lines in a light blue-grey color, creating a complex, geometric frame around the text.

Table

14

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light gray and create a complex, geometric pattern around the central text.

Table

15

A decorative border consisting of two overlapping, slightly offset rectangular frames. The lines are light blue and create a complex, geometric pattern around the central text.

Table

16

A decorative border composed of two overlapping, slightly offset light blue lines that form a complex, multi-pointed geometric shape, resembling a stylized star or a series of overlapping squares.

Table

17

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

18

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect around the text.

Table

19

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light blue and create a complex, geometric pattern around the central text.

Table

20

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light blue and create a complex, geometric pattern around the central text.

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

27

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect around the text.

Table

28

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect around the text.

Table

29

A decorative border consisting of two overlapping, slightly offset rectangular frames. The lines are light gray and create a complex, geometric pattern around the central text.

Table

30

A decorative border composed of two overlapping, slightly offset light blue lines that form a complex, multi-sided geometric shape. The lines intersect to create a series of smaller, irregular polygons within the overall frame.

Table

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline pattern.

Table

34

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

35

A decorative border consisting of two overlapping, slightly offset rectangular frames. The lines are light blue and create a complex, geometric pattern around the central text.

Table

36

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light gray and intersect to form a central diamond shape and four corner triangles.

Table

37

A decorative border consisting of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

38

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light gray and create a complex, geometric pattern around the central text.

Table

39

A decorative border composed of multiple overlapping, light blue lines that form a complex, geometric pattern around the text.

Table

40

A decorative border composed of multiple overlapping, slightly offset lines in a light blue-grey color, forming a complex, multi-pointed geometric shape that frames the central text.

Table

41

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect around the text.

Table

42

A decorative border composed of multiple overlapping, light blue lines that form a complex, geometric pattern around the central text.

Table

A decorative border composed of multiple overlapping, slightly offset rectangular lines in a light blue-grey color, creating a complex, geometric frame around the central text.

Table

44

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light blue and create a complex, geometric pattern around the central text.

Table

45

A decorative border composed of multiple overlapping, slightly offset rectangular lines in a light blue-grey color, creating a complex, geometric frame around the text.

Table

46

A decorative border composed of multiple overlapping, light blue geometric lines that form a complex, star-like pattern around the central text.

Table

47

A decorative border composed of two overlapping, slightly offset rectangular frames in a light blue-grey color, creating a geometric, crystalline effect.

Table

48

A decorative border composed of two overlapping, slightly offset rectangular frames. The lines are light blue and create a complex, geometric pattern around the central text.
